ABOUT EVANS CHRISTIAN OUTFITTERS

In the 1960's Bob and Jewell Evans donated land which became *Camp Francis Asbury*. For many years the camp was owned and maintained by the United Methodist Church. In 2017 the name of the camp was changed to Evans Christian Outfitters (ECHO) and is now owned, operated and maintained by the Friends of Camp Asbury, Inc (FOCA). FOCA operates the summer camps as listed in this brochure but also rents the camp out for groups to enjoy all year long. FOCA is a group of Christian persons who attend various churches in Southeast Ohio and desire to keep the Evans family vision of Christian camping in this region.

CELL PHONE POLICY

Summer camp is a place where we want children/youth to learn and grow in their relationship with Christ and meet new friends- cellphones can be a distraction to these goals. Bringing cellphones to camp is **strongly discouraged** and parents/guardians should explain this decision to their child. We are not responsible for damage/loss to any cellphones and usage will be extremely limited. If usage becomes problematic your child will be asked to stow away the cellphone or it may be confiscated.

SCHEDULING CONFLICTS

If you have any scheduling conflicts, please let the camp know prior to registration. This includes campers arriving late or leaving early. Any camper leaving the camp throughout the week for any reason must have a written cause signed by a parent or guardian and presented at registration.

MODESTY

Our understanding of modest dress is that which a Christian young person should model in public. It **DOES NOT** include tight, short or revealing clothing. Swimwear for girls must be non-revealing one-piece designed. Camp counselors ultimately determine what is deemed modest.

CAMP SPONSORSHIP

If your church, or someone else is sponsoring your way to camp, please indicate such on the attached registration form. God has blessed our camp and this year we have been able to reduce the cost of per camper. It is our desire that any child/youth that wants to attend camp will be able to do so. We have a limited amount of full scholarships available, please contact the camp registrar Charlene Hemphill at 740-441-5278.
